Item Units Total

The screenshot shows the TSG POS application interface. On the left is a vertical menu with four main sections: 'Register', 'Administration', 'Stock & Prices', and 'System'. The 'Administration' section is expanded, and the 'Stock' option is highlighted with a white arrow. At the top of the main window, there is a toolbar with several red icons: a person, scissors, a shopping cart, a trash can, and a refresh symbol. Below the toolbar is a table with columns for 'Item', 'Units', and 'Total'. The table is currently empty.

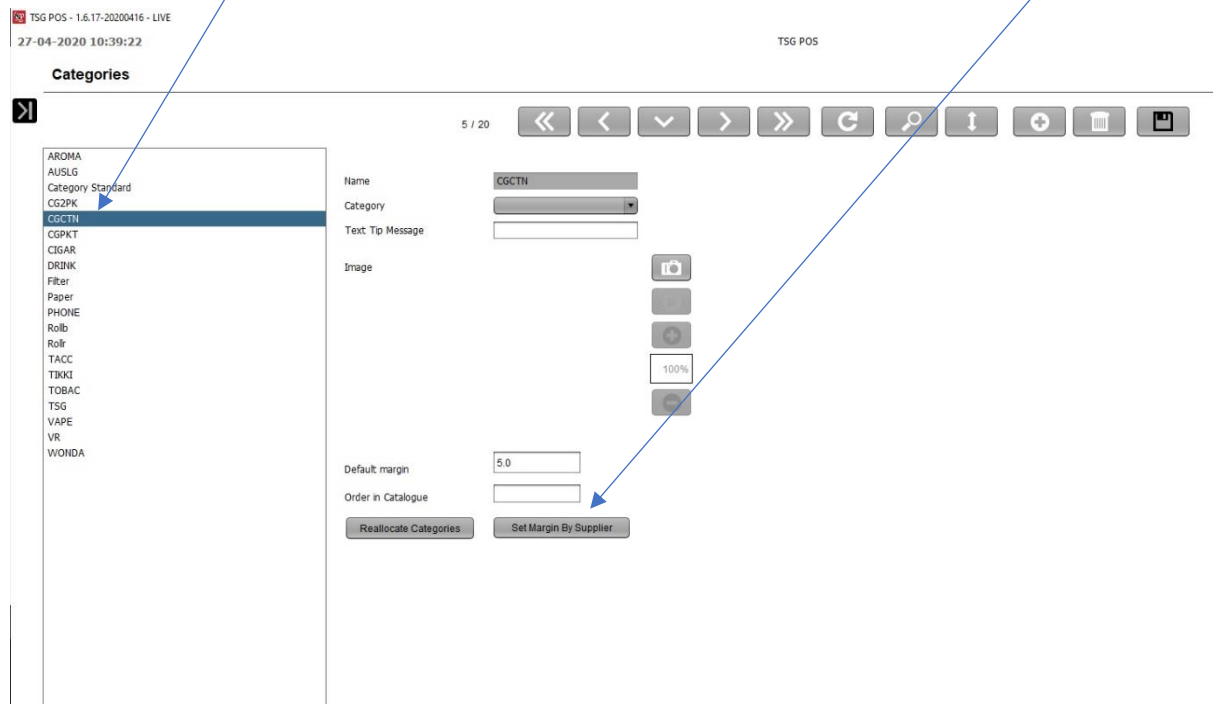

Click on categories

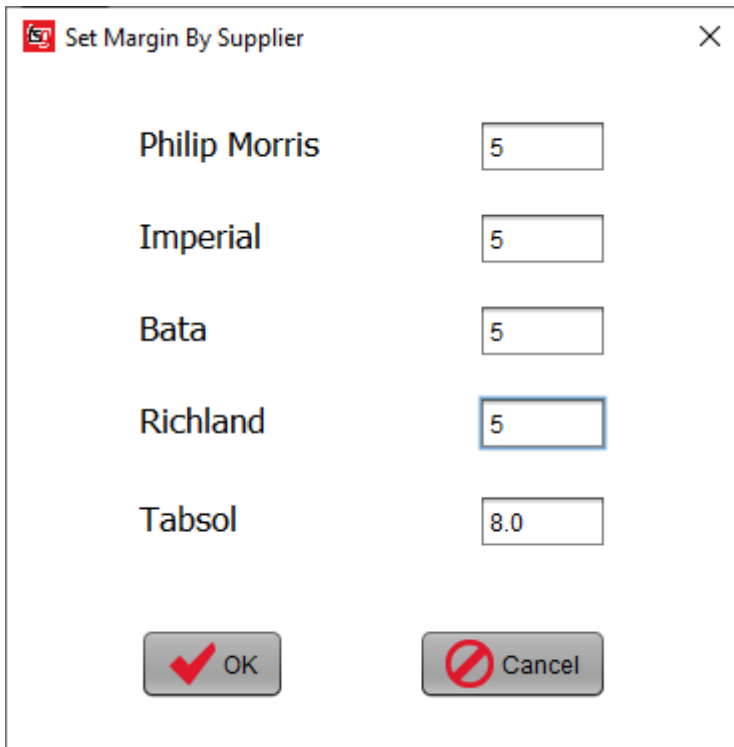

Select category and margin for each suppliers

Select Categories from the menu on the left hand side

Choose the Category (Either CGCTN, CGPKT, CIGAR OR TOBAC), select Set Margin By Supplier

Set your margins and click on OK. If you leave any **blank** it will just use the **default margin** on the categories page

A dialog box titled "Set Margin By Supplier" with a close button (X) in the top right corner. It contains a list of suppliers with corresponding input fields for their margins:

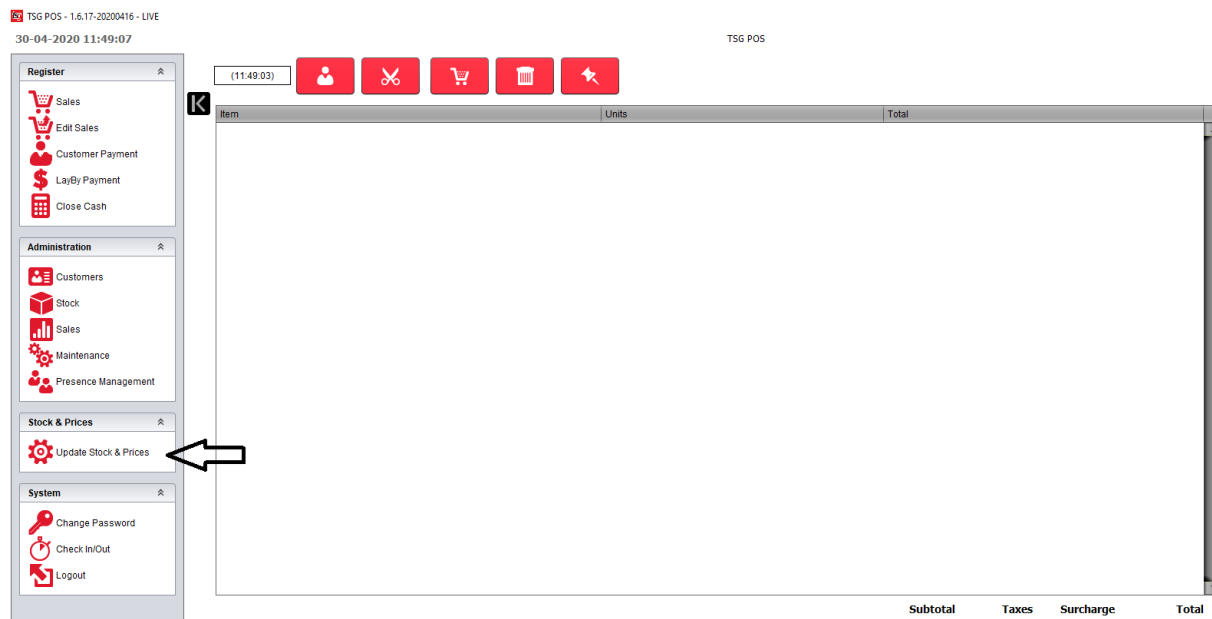

Supplier	Margin
Philip Morris	5
Imperial	5
Bata	5
Richland	5
Tabzol	8.0

At the bottom of the dialog are two buttons: "OK" with a red checkmark icon and "Cancel" with a red prohibition sign icon.

Update stock and prices

Please note your products will only update after doing an Update Stock & Prices

Click on update stock and prices

The screenshot shows the TSG POS interface. At the top left, it displays "TSG POS - 1.6.17-20200416 - LIVE" and "30-04-2020 11:49:07". At the top right, it says "TSG POS". Below the header is a toolbar with icons for user, scissors, shopping cart, trash, and refresh. The main area is a large empty table with columns for "Item", "Units", and "Total". At the bottom right, there are labels for "Subtotal", "Taxes", "Surcharge", and "Total". On the left side, there is a sidebar menu with four sections: "Register" (Sales, Edit Sales, Customer Payment, LayBy Payment, Close Cash), "Administration" (Customers, Stock, Sales, Maintenance, Presence Management), "Stock & Prices" (Update Stock & Prices), and "System" (Change Password, Check In/Out, Logout). A white arrow points to the "Update Stock & Prices" option in the "Stock & Prices" section.

Download/Import Stock & Prices

Download Import

Pressing the "Download" button will get a copy of the database from the TSG server. The system will then compare the database from the server and the database locally on the computer.

Any missing products will be added in.

Any incorrect cost prices will be updated.

Any incorrect subcategories will be updated.

Any incorrect packet/carton links will be updated.
